

**Sat. July 25 from 1 - 6 PM**

Four Game Designers stand side by side sharing their games at the Greenwood Games. Use the clues to match the game name, theme, game type, and player count to answer the question:

**How many players can play the game Offshoots?**

	1st	2nd	3rd	4th
Game Name				
Theme				
Game Type				
Player Count				

**THE CLUES**

- The game with a word theme is in the 3<sup>rd</sup> position
- The game for 3-5 players is in the 1<sup>st</sup> position
- The tile game is in the last position
- The game with a bird theme is a card game
- The game with a rainbow theme is in the last position
- The game that tests your dexterity skills is directly to the right of the game Trickadee
- The tile game has a solo player mode
- The game that uses pen & paper is in the 3<sup>rd</sup> position
- The game with a plant theme is somewhere to the left of the game for up to 50 players
- Crossword Factory is in the 3<sup>rd</sup> position.
- Rainbow Flip & Slide is somewhere to the left of Offshoots.
